September

“The Son is the radiance of God’s glory and the exact representation of His being, sustaining all things by His powerful word.” Hebrews 1:3a

Jesus, the son, is the exact representation of God’s being. We get to see a glimpse of God the Father through reading about the life and descriptions of Jesus. And this Jesus, is seated at the right hand of the Majesty in heaven. He is above all and in all. Jesus reigns over even the angels. He is the name above every name, there is no one else like Him in all of history. His Word which created everything in the beginning, is powerful. He sustains everything in the universe through it. No human mind can fully comprehend the power He holds. The sun and moon are sustained in their place, the oceans are sustained in their place. And we too are sustained by His powerful word. Jesus is enough, He is all we will ever need. Jesus is the only way to be sustained or satisfied in this life. Everything is meaningless when you see life the scale of eternity. Jesus. Is. Over. Everything. Jesus is enough.

EnterMission Mission Team

A group from the EnterMission program based in Knoxville, Tennessee came to serve with us for a week in September! There were 15 college aged students who are a part of the EnterMission Program. Their Program is a 10 month gap year program for ages 17-25. They go and experience all different kinds of ministries both in the states and abroad. We were blessed to have them come visit Forgotten Ministries for a week. All the kids who came had a heart for serving the Lord and the outreaches really pushed them to their physical limits and allowed their eyes to be opened to what God can do through local missions. For us, it was a huge blessing to have a mature team come who already has a heart for missions and are hungry for the Lord. We were able to take them to do various outreaches and outreach preparations to experience all the ins and outs of what Forgotten does each week. The hours were long, but the fruit was endless. Many of the kids were touched by doing kids ministry, both in the Marshallese community and in low income areas in Enid. Jaclynn Rivera shared a testimony of God's loving character she noticed during the week. Jaclynn helped sort clothes and hang them on the clothing truck to prepare for our outreaches in the evening. Once she got to the outreach at Pine Manor Apartments in Enid, she was helping people find clothes on the clothing truck. One young girl specifically wanted a jean jacket. Jaclynn remembered hanging up a jean jacket earlier that day! As she looked for it, she prayed that it would be the right size, size 10. When she found it, she was overjoyed to see that it was a size 10-12, and so was the young girl! Jaclynn was able to notice God moving in the small details of the week.

Conference Preparations

We are thrilled for our upcoming Conference in November. This year will be our first annual Forgotten Ministries Conference called "Divide and Conquer." This year, the conference is going to be smaller scale and invite only so we can see how things go for the first go. The conference is for individuals we have met over the past few years who have a heart for missions and fighting the good fight to reach the lost. Through the conference, we want to build a network of people who can all link arms to reach more people with the Gospel. We hope this weekend conference encourages the attendees and challenges them to keep up their efforts in the Gospel. We are so thankful for all the partners and co-laborers in Christ who are coming. That is why we want to go above and beyond to show our appreciation through our hospitality to them. Many of the attendees will need lodging for the conference, so we have been preparing mission housing for them over the past month. We have deep cleaned our existing buildings and been able to transform them into amazing places for our dear partners to feel at home while they are here. We look forward to the conference and will continue to look forward to it each year!

Kids Camp

This Month at Kids Camp, the kids learned about Romans 10:15! The verse says: "How beautiful are the feet of those who bring good news!"

Autumn taught them how even though the disciples feet weren't beautiful, the message their feet carried to others made them so. After that, they made a craft that will be used for the upcoming Conference at Forgotten Ministries. The craft was messy, but the kids had so much fun!

Kids camp is on Thursdays from 3:30-4:30. If you would like to volunteer or would like to bring a snack for the kids, please contact Autumn at autumnrbradley02@gmail.com.

If you or your church would like to help, you can also donate snacks, drinks, or gently used kids shoes!

Podcast

The Forgotten Ministries Podcast has released 4 new episodes this month on YouTube and Spotify. Jeremiah and Hayden like to bring on a guest every time they can, and this month they brought on 5. Chris Eldridge, Wade Burluson, Ben Larsen, Lucas White, and Wade Phillip were all guest speakers on the podcast in September. Don't forget to go checkout the Forgotten Ministries Podcast. You can watch the episodes on YouTube or listen to them on Spotify.
