“For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life that was handed down to you from your ancestors, but with the precious blood of Christ, a lamb without blemish or defect. –1 Peter 1:18-19

Thank you Jesus for the blood. Thank you for your precious blood. Thank you that you were the perfect lamb, without any spot of imperfection. Thank you for buying us with what we would never be able to afford. We love you Jesus.

His precious blood is priceless. It’s like Peter is saying here; “Don’t you remember that you were bought with the precious blood of Christ?” It causes me to be overwhelmed with thankfulness to our precious Jesus for what He did.

As we strive to live Holy, let us not forget the One who gave us the perfect example of holiness. As we strive to serve Jesus, let us not forget how we bow our lives to Him in obedience because we were bought by His blood. Jesus paid it all. The blood of Jesus is rich. Remember what He did and worship him today as you lay your life down for him.

Woodward Grill Walk with Repented

Brandon and Nik both partnered up with Repented in Woodward, Oklahoma for a grill walk. Repented is the name of a motorcycle ministry. They partnered with Forgotten Ministries to do a grill walk during their annual event called a "run". They took a total of three grills to three different areas in Woodward. All in all, they served about 500 hamburgers that day! It was a fruitful event with lots of Gospel centered conversations and prayers!

Flint, MI Mission Trip

Almost the whole team went on a trip to Flint, Michigan in August. It was another Send Relief trip and Forgotten Ministries goes as one of the Outreaches that attendees can sign-up for in that town. When we do these trips, we drive to the town, spend a day helping Send Relief unload their semi-truck, spend a couple days leading grill walk outreaches with various attendees of the tour. Sometimes our team will help wrap up various other projects that other people are working on for the tour as well. There are normally 5 different Send Relief trips each year to different parts of the country. We are blessed that God has opened the door for us to partner with Send Relief in this way! We have seen God move in countless ways during these trips, both in conversations we get to have on the grill walk, and connections that God helps us to make with other followers of Jesus! On this trip to Flint, there was an amazing story of a woman who came to serve on the grill walk. The woman came from New York for what would be her first mission trip. She ended up being greatly moved by what she was seeing during the grill walk. After asking lots of questions, she went to a leader to tell them she was ready to surrender her life to Jesus. Praise God!

Marshallese Outreach

It was time for the Marshallese kiddos to head back to school! We wanted to help them feel their best and be provided with everything they needed to go back to their daily classes. Using the means that we had in our center, we were able to make 48 School backpacks full of school supplies!

Autumn, and Audra and Anna Beagley setup a table at the New View apartments by the Forgotten Ministries Center and had the kids and parents come up and get backpacks as they needed! Thanks to Foster Feet, a shoe ministry in Enid, we were also able to let families sign-up to receive a brand new pair of shoes. We ended up giving out 44 pairs of brand new shoes to the Marshallese Community! Through the back to school give out, we were able to connect with lots of moms and have at least 3 gospel conversations as well. That is what it's all for! Praise God.

Food Ministry

Arron has been working hard on making contacts with different food distribution places. He's also been building relationships with churches who would like to be involved in the food ministry.

Mark from a church in Comanche, Oklahoma reached out to Arron after doing a grocery outreach through the Food Ministry. This is what He said:

"We had a really good group come out. It actually included some young people that are not even members of our church, but work with the FCA the middle school. I know that the very first house we went to really needed the groceries, and were looking for a recovery ministry in the area. Denver was able to talk to them about us starting one soon. Another man had just lost her brother last week, and we prayed with her. There were at least three or four other good visits where we prayed with people. The middle school boys have not stopped talking about it all afternoon to many of their friends. They cannot wait until we do it again. One lady who works at a local convenience store was just commenting this morning to her dad how she had missed the food bank yesterday, and we showed up with bags of groceries today"

The food ministry was a great outreach for this church to go out and do to make a huge impact on their community. It also blessed each one of the people who handed out groceries! If you are interested in being involved in this ministry, please email fmfoodministries@gmail.com

Park Outreach

We've been continuing the park outreach throughout the summer. We partner with William Leftwich from Your Family Church who cooks the meal every Tuesday. We serve about 30 or so meals every Tuesday night. We also have about 40 people coming up on the clothing truck each time. We have really honed in on boldly preaching the Gospel through the mic on the music bus. It's amazing to watch as people listen intently to the message. We are also able too have gospel conversations and prayers with people who come to the outreach. Pray that these people would have ears to hear and receive the Gospel, the only thing that can set them free.
