

Primary/Medical Care

Aspire Indiana Health is proud to offer fully integrated “whole health” services to Central Indiana including Primary Care. Like any family medicine practice, our six clinics offer high-quality, compassionate primary care for Hoosiers from every walk of life, from small children to senior citizens, as well as prenatal care.

Our skilled team of experienced physicians, nurses and other medical personnel are equipped to deal with all standard preventive and routine

medical care including annual physicals, sports physicals, pregnancy tests, blood tests, and so on.

Aspire patients also receive the benefit of having their medical care fully integrated with other comprehensive services as needed including behavioral health, substance use treatment, employment and housing assistance, and other social factors that impact a person’s physical and mental wellbeing.

Here, we treat the entire person and not just their We are an accredited Federally Qualified Health Center (FQHC), meaning we meet the high standards required to accept Medicare and Medicaid, as well as

most forms of private insurance. Aspire also offers a sliding-fee scale for the uninsured. We are nonprofit and will not refuse medical services based on the ability to pay.

Types of primary care appointments can include:

- Physical exams
- Sports physicals
- Well child exams including infants
- Women’s health visits
- Medicare wellness visits

Whole Health for Your Whole Family

Aspire Indiana Health accepts Medicaid, Medicare and most commercial insurance. We also offer a sliding fee scale for clients who are uninsured and have health navigators to assist people in obtaining coverage.

- Common illnesses (flu, cold, etc.)

Where can I get care from Aspire?

Choose to see your primary care provider in one of our Central Indiana clinics listed below or through Video in Person (ViP) appointments on your computer or mobile device.

***While ViP appointments cannot replace a physical examination, they can often be used for basic medical concerns or as a first step to see if an in-person exam is needed. ***
