

WMU® *International Luncheon*

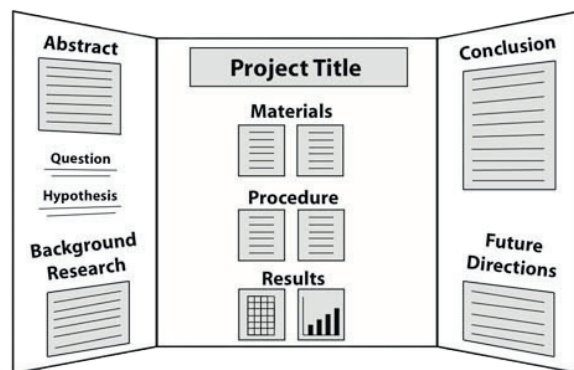

Sun, August 24 after service in the gym

This is a **churchwide luncheon** and **fundraiser** to benefit the work of the Woman's Missionary Union (WMU) of Gracewood! Meal costs \$5 per person - donations accepted to benefit the work of our WMU!

We invite classes to work as group(s), and have also asked each of our WMU ladies to pick a country (*different from last year's luncheon*) and create a small trifold storyboard; attach missions facts, country flag, & other relevant info related to the country you chose. Along with the storyboard, we ask that **you cook a dish** and/or side(s) from that particular country you've chosen, as it will be set in front of your board and sampled at the luncheon.

Decorate your board with:

- Title of the country
- Colors/flag from that country
- **Missions facts about country**
- Christian population
- **SBC-affiliated Missionaries** from that country (if you can find)
- Photos from that country
- Other interesting info/facts

you do not have to follow this example

The storyboards will be propped up on tables set up around the buffet side of the gym (dish in front of storyboard) for the church members to walk around, read about international missions, and sample a variety of international cuisines. Crockpots or easily warmed cookware are encouraged!

Text Anna at 901-520-1018 if you'd like to participate or with questions!

A list of the countries already claimed will be shared with you, and then can assign a country for your project (Please do not choose the same country as last year)

WMU® *International Luncheon*

Sun, August 24 after service in the gym

We invite you to join us at our churchwide WMU International Luncheon held in August, where you'll get to enjoy international cuisine and learn about global missions through different dishes & informative storyboards made by our WMU! Meal costs \$5 per person - donations accepted to benefit the work of our WMU! See back of flyer for details on how you can participate!
