Who Should Apply?

Healthcare Professionals • Social Work Professionals •
Healthcare & Community Advocates • Health Insurance
Professionals • Community Service Professionals •
Interested Tribal and Community Members

Interested in Serving?

You do not have to work directly in healthcare to make a difference. If you have knowledge, experience, resources, ideas, or simply a desire to help strengthen the health of our community, we would love to hear from you.

Meetings will be held monthly as we establish goals and priorities and as needed thereafter to advance committee initiatives.
