April 20, 2020

This week's verse to reflect on:

“And the shepherds returned, glorifying and praising God for all the things that they heard and seen, as it was told unto them” Luke 2:20

Today I wanted to give you a little insight into the “day in life” at Grace despite our current situation . As a staff and leadership team we are committed to keep everything moving the best we can.

We are continuing to use this time to get a few projects done. The first update completed was me moving into the office next to Sue so she can make sure I behave. I along with Jayme (our parents too) tore all the wall paper down, patched holes, and repainted. The windows were cleaned and Fred replaced all the ceiling tiles.

Since we are talking about it...the tiles are coming down left and right- well by the help of Fred as he is replacing all of the damaged/dingy tiles upstairs. Fred as well as a couple helpers (practicing social distancing of course) are clearing out all of our overgrown bushes around the church- this is proving to be a big task.

We have been able to continue to keep our cleaning service busy as the kitchen floors were all stripped and rewaxed. The carpets throughout the church are also being cleaned. Also, they are cleaning up the bathrooms and emptying our trash. (We can be kind of trashy in the office some weeks!)

Now that you may have a glimpse of what's happening in the church we also have some social distancing workers remodeling our parsonage as we anticipate a new lead Pastor some day. The bathrooms have been gutted, floors torn up to replace leaks, the outside landscaping has been ripped out and ready for a fresh new look.

Phew...I don't know about you but I am tired just reading all that! However, we praise and thank God for your continued prayers and financial support so we can keep moving Grace forward in our 2020 Vision.

Pastor Heather
