

Together...making health and well-being a reality!

MANAGED HUD HOUSING

Our HUD properties provide various types of housing options depending on an individual's need. Independent and supervised living arrangements are offered with the option of double occupancy rooms or one and two bedroom apartments. Certain requirements must be met to qualify. Those requirements include income and disability and/or elderly persons.

Havens - Section 202/8

Havens houses individuals with a severely mentally ill diagnosis (SMI). Accommodations are either one or two individuals per apartments.

Hartung - PRAC 811

Hudson is for adults with a serious mental illness (SMI) and is supervised living, staffed 24/7.

Hudson - PAC 202/162

Hudson is for adults with a serious mental illness (SMI) and is supervised living, staffed 24/7.

Section 202/8

Pauley Glover (above) is for individuals who are mobility impaired. Accommodations are either a one or two apartments.

Questend is for adults with a serious mental illness (SMI) and is supervised 24/7.

Sunshine House is for adults with a serious mental illness (SMI) and is supervised the majority of the day.
