Mental Health Awareness Training (MHAT)

Question, Persuade, Refer. (QPR)

- 60 - 90 minutes
- For groups without formal mental health training/education
- Suicide awareness & prevention
- Like CPR, QPR is an emergency response to someone in crisis and can save lives

Mental Health First Aid (MHFA), Adult and Youth

- 8 hours (or divided into 2, four-hour sessions)
- For groups without formal mental health training/education
- Identify, understand and respond to the signs of addiction and mental illness
- Increases mental health literacy
- Classes are available that focus on Adult and Youth

Aspire Indiana has been awarded a Mental Health Awareness Training grant from the federal Substance Abuse and Mental Health Services Administration (SAMHSA). This funding allows the community to attend our training free of charge.
