EMPLOYMENT SERVICES

Video in Person, or ViP for short, will be Aspire's branded terminology for face-to-face appointments with a healthcare professional through video, and not merely a telephone call — aka "in person."

Aspire's Employment Services program provides people with the services and supports they need to increase their ability to work successfully. We also work with employers, at no cost, to help find workers who match their specific needs.

Aspire Indiana is dedicated to being a whole health care provider and improving the health and well-being of our community. At Aspire, we believe that Employment plays a powerful role in increasing people's overall health.
