Interim Tribal Administrator's Report, May 2023

This is my first Interim Tribal Administrator Report since the initial appointment back in January of this year. I would like to thank the Tribal Council for selecting me for this position. Also, I want to thank them for trusting me to fill this vacant position in keeping the office affairs operational for the last 5 months. It has been a challenge to do the day to day activities and the numerous requests from the general public as well.

I have completed several reports that needed to be sent to our funding sources with the help of my staff and consultants from DOT and Indian Housing. We are in the process of completing our new year funding with Indian Housing and other grant sources needed. Our Planner and I have been working with KB Reynolds grant and Blue Cross Grant to meet the needs of the community. The Tribal Council is in the process of spending those funds within the next two months, after having several meetings with the grant providers.

We have helped many tribal members in paying their electric bills and county taxes through grants from DOT. Many community members expressed their thanks for assisting them during their financial hardship.

The community food bank, from Raleigh NC, has participated in several food drives in the community. My relationship with the food bank, loaves and fishes and their volunteers has provided over 1 million pounds of food to this community. Presently, getting ready to do other food distribution at other locations for churches locally, who has not been served.

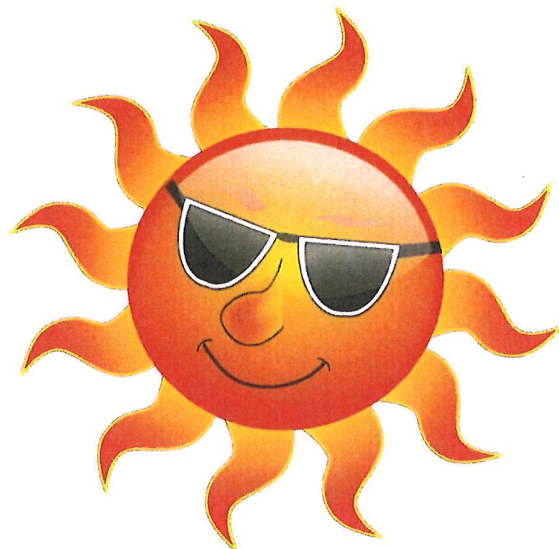

GRRO Program has been doing very well in serving the community's needs and referring them to resources, such as mental health, housing, and other health related services. The GRRO staff has received their (CHW) Community Health Worker for the State of NC through Robeson Community College with the assistance of Melissa Richardson, Tribal School Principal. Thanks to all who participated in this effort.. We would like to welcome our new Housing Director Gary Lynch to our staff.

Kathy Harris,
Interim Tribal Administrator
