

## Get your prescriptions filled at Aspire!

Did you know most Aspire Indiana Health clinics have onsite pharmacies operated by our partner Genoa

Healthcare? And no matter where you receive healthcare services, our pharmacies can mail your prescriptions directly to your home?

You don't even have to pay for the postage!

**\*\*Genoa pharmacies accept Medicaid, Medicare and most traditional insurance.\*\***

Getting your prescriptions through Aspire helps everyone through the 340B program, a

federal prescriptions program that supports nonprofit health centers like us!

If your Aspire Indiana Health location does not include an onsite pharmacy, please ask a team member to get you connected to the closest Aspire site so that Genoa Pharmacy can fill your prescription.
