

Aspire proudly accepts Medicaid, Medicare and most commercial insurance. We also offer a sliding fee scale for clients who are uninsured and have health navigators to assist people in obtaining coverage.

HUD Housing

Our HUD properties provide various types of housing options, depending on an individual's need. Independent and supervised living arrangements are offered with the option of double occupancy rooms, one bedroom, and two bedroom apartments. Certain requirements must be met to be eligible for housing. Those requirements include income and disability and/or elderly persons.

Havens – Madison County

Houses individuals with a serious mental illness (SMI) diagnosis. Accommodations are either one or two individuals per apartment.

Hartung – Madison County

Houses adults with a serious mental illness (SMI). The property provides supervised living and is staffed 24/7.

Hudson – Madison County

Houses adults with a serious mental illness (SMI). The property provides supervised living and is staffed 24/7.

National Place – Marion County

Houses individuals with a disability. Accommodations are one bedroom units.

Pauley Glover – Marion County

Houses individuals who are mobility impaired. Accommodations are either one or two bedroom apartments.

Questend – Marion County

Houses adults with a serious mental illness (SMI). The property provides supervised living and is staffed 24/7.

Sunshine House – Marion County

Houses adults with a serious mental illness (SMI). The property provides supervised living the majority of the day.

Revised February 2024

Where can I get care from Aspire?

Choose to see your primary care provider in one of our Central Indiana clinics listed below or through Video in Person (ViP) appointments on your computer or mobile device.

***While ViP appointments cannot replace a physical examination, they can often be used for basic medical concerns or as a first step to see if an in-person exam is needed. ***
